Okron, Ohio.

My dear Miss Brogan:

I was fortunate in negotiating a deal which enabled me to place in the Commercial Bank of Panama City, Fla. one (\$100.00) hundred dollar War Bond for your name to be delivered in exchange of your Gulf Coast Development Company stool certificate, or holdings in the Gulf Coast Development Company.

You will please return this certificate to the bank for this exchange at your earliest convenience

Most sincerely,

Lillian C. West.
